December 2023

## Post-Game in GameDay

### Step 1:

Log into your GameDay Passport account: <https://passport.mygameday.app/login/>

The screenshot shows the GameDay Passport login interface. At the top is the GameDay logo, a stylized 'G' in teal, with the text 'GAMEDAY powered by stacksports' below it. The heading 'Login to Passport' is centered. There are two input fields: 'Email Address \*' with the placeholder 'email@address.com' and 'Password \*' with the placeholder 'Password'. A 'Forgot?' link is next to the password field. Below the fields is a teal 'Login' button. Underneath the button, it says 'Don't have an existing Passport account? Please register below.' and a 'Register' button. At the bottom, there is a 'Privacy Policy' link and a copyright notice: '© Copyright GameDay. All rights reserved.'

### Step 2:

Click on 'Membership and Competition Management'.

### Step 3:

Access your club's portal by clicking on the logo.

## Step 4:

Click on 'Match Results' under the 'Competitions' menu.

The screenshot shows the 'Test Club 1' dashboard. On the left sidebar, the 'Match Results' option under the 'Competitions' menu is highlighted. The main content area includes a 'Details' section with an 'Add/Edit Logo' button, a 'Contacts' section listing the President (Joe Bloggs) and Treasurer (Ken Adams), and a 'Stats' section with four charts: 'Members', 'Players by Gender' (a pie chart showing 90% and 10%), and two line graphs for 'Players by Gender' and 'Players' over time.

## Step 5:

Find the relevant match and click 'Post Game'.

The screenshot shows the 'Match Results Entry' page. At the top, there are filters for 'Show matches between: (dd/mm/yyyy)' with dates '15/1/2024' and '23/1/2024', and buttons for 'Apply Dates', 'Enter Quick Results', and 'Filter Matches'. Below is a 'Match List' table with columns for Result, Home Team, Away Team, Result, Competition, Match Date Time, Venue, Lock Match, Lock PreGame, and action buttons (Pre Game, At Game, Post Game). The 'Post Game' buttons for all four matches are highlighted with a red box. There are also 'Update Lock Status' buttons at the top right and bottom right of the table.
