Upgrading from L2P or Insurance Only

If a player has taken part in a learn to play programme, or held an insurance only or trial membership, they can upgrade their membership to a full playing member. The original price of the L2P or insurance only membership will be discounted.

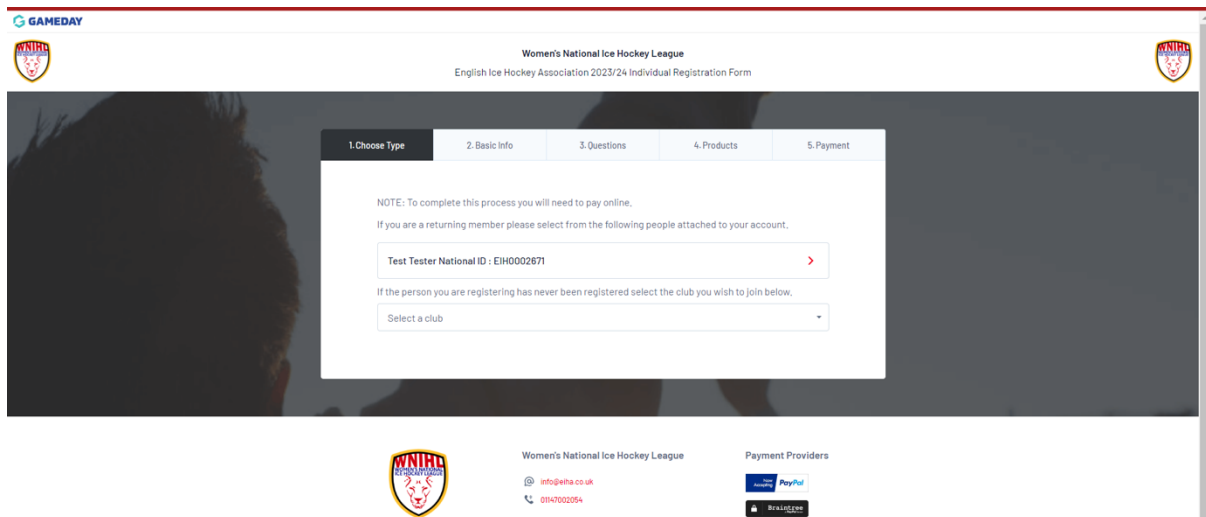

Step 1:

Contact the club for the registration link to upgrade. This is now a separate form.

Step 2:

Use the club's registration link and link your National ID at the beginning of the registration process.

The screenshot shows the 'English Ice Hockey Association 2023/24 Individual Registration Form' for the Women's National Ice Hockey League. The form is titled 'GAMEDAY' and has a progress bar with five steps: 1. Choose Type, 2. Basic Info, 3. Questions, 4. Products, and 5. Payment. The current step is '1. Choose Type'. The form contains a note: 'NOTE: To complete this process you will need to pay online. If you are a returning member please select from the following people attached to your account.' Below this is a text input field for 'Test Tester National ID : EIH0002671' with a red arrow icon. Another note says: 'If the person you are registering has never been registered select the club you wish to join below.' Below this is a dropdown menu labeled 'Select a club'. The footer includes the Women's National Ice Hockey League logo, contact information (info@wihh.co.uk, 01147002054), and payment providers (PayPal, Braintree).

Step 3:

On the second page, select type as Player and complete the basic details on the form.

Step 4:

Pay the discounted price at the basket.
